

Conference & Learning Center Approved Caterers

Health Foundation of La Porte (HFL) maintains a list of approved caterers. Organizations requiring catering services are responsible for making all catering arrangements. This includes initiating contact with approved caterers, selecting menu items, confirming services, payments, accepting delivery on site, and ensuring caterer has picked up all catering items from the Conference & Learning Center (C&LC) in a timely fashion.

HFL provides filtered water, ice, and coffeemakers at the C&LC. Water glasses and coffee mugs are available for use. Please be aware that organizations must bring their own ground coffee and condiments (creamer, sugar, stirrers, etc.) and that HFL does not provide any serve ware, except water glasses and coffee mugs. Please note that alcoholic beverages and homemade food are not allowed at the C&LC.
