

GRANTEE COMMUNICATION GUIDELINES

Healthcare Foundation of La Porte (HFL) recognizes the power of strategic communications to advance mission. We encourage you to announce your grant and share important updates, milestones, and impacts via your organization's website, blog, and social media, and by outreach to traditional media.

We are proud to be associated with those we fund and believe that the recognition of HFL's support draws positive attention to our partners and their work, while also helping to build understanding of HFL and its priorities.

Please abide by the following guidelines when communicating about your grant. If you are referring to these guidelines after May 15, 2024, please visit our website for updated communication guidelines.

Acknowledging HFL

For the duration of your grant, we ask that you acknowledge HFL as a supporter. Following is a variety of approved language for some common ways grantees can acknowledge HFL's support:

- In any grant announcements or materials funded by the grant, please use one of the following credits:
The [organization/project/event] is supported by a grant from Healthcare Foundation of La Porte.
This [project/event] is made possible thanks in part to support from Healthcare Foundation of La Porte.
This project/event is fully funded by a grant from Healthcare Foundation of La Porte.
- If you choose to describe HFL in more detail, please use the following paragraph:
Healthcare Foundation of La Porte (HFL), a private, independent foundation located in La Porte, Indiana, is dedicated to empowering La Porte County residents to live healthy and well. HFL has invested more than \$41 million in the La Porte County community from November 2017 through September 2023. Through strategic and thought leadership, grantmaking, and capacity building, HFL aims to further the foundation's vision for La Porte to be one of the 10 healthiest communities in Indiana by 2030. HFL also offers its state-of-the-art Conference & Learning Center free of charge for nonprofit organizations, government entities, and schools. To learn more about how HFL supports the La Porte County community, visit [hflaporte.org](https://www.hflaporte.org), call 219.326.2471, or email contact@hflaporte.org.

You are welcome to use any of the above language and do not need to seek approval from HFL before publishing. If you wish to include custom acknowledgement language, we request that you give us an opportunity to review a draft.

In all cases, please forward us a final copy of all external communications materials such as news releases, newsletters, email announcements, website copy, fact sheets, or any other materials that recognize your grant from HFL. We will also ask that you enclose copies of any publicity when sending us your final report.
